ABOUT VIDA

In Spanish, Vida means “life”. From career to romance, modern women are now embracing a new form of life which is marked with different challenges, and it is a lifelong journey to search for the true meaning of being a woman. Vida creates an array of wearable jewelry that is perfect for all kinds of occasions and purposes: the first collectibles of jewelry box; a little piece of self reward and indulgence; or a token of everlasting love. We hope that jewellery from Vida will become testimonies of modern womanhood, chronicling the transformation from a girl to a lady, the maturing of an independent woman.

Vida is dedicated to bringing affordable yet quality pieces of jewellery for our customers. We draw upon a vast reservoir of talented designers who vow to deliver the greatest varieties of designs, so that our customers can pick the pieces which best define their personalities, suit their unique tastes and go well with their fashion styles. However, we refuse to compromise with the quality. Sourcing materials from all around the world, we take pride in our careful selection of materials – we are only satisfied to take the best diamonds, gemstones, gold and the likes. Vida is also supported by a team of skilful artisans, who turn stylish and innovative designs into easy-to-wear, enduring pieces of jewellery.

PEARLY LIGHTS

COLLECTION

Out of all jewels, pearls are the only kind which originates from the ocean. Naturally, it boasts a unique form of beauty. With round shapes and warm glow of light, pearls are nothing short of a symbol of elegance. In this collection, the design goes into the direction of minimalism. Honestly, the treasure from the sea will be eye-catching enough to appease anyone.
